
Morning all CAO's and LAC's

As I am sure you are all aware the Yukons Chief Medical Officer of Health has imposed more restrictions for Yukoners.

Below is the link to our website that reflects all the bans, closures, suspensions and recommendations currently in effect in the Yukon.

I have noticed that several of your websites do not have any information regarding COVID19 for your constituents, or the links are broken, or the information is hard to find. Please ensure you have links to information visible on your home page.

Please ensure your citizens are informed, please use this link http://www.ayc-yk.ca/UserFiles/Servers/Server_3242987/File/Updates%20on%20COVID.pdf to add to your website or direct them to our website at <http://www.ayc-yk.ca/>

We all need to do our part and communication is key right now.

Thanks everyone!!!!

Regards
