This information is subject to change without notice. Changes from the last update are highlighted.

Public update for the week of September 3, 2020.

Yukon numbers	Confirmed cases: 15	Recovered: 15	Negative tests: 2,606	Pending results: 64	Total tested: 2,685
----------------------	---------------------	---------------	-----------------------	---------------------	---------------------

Emergency status: a state of emergency was declared on March 27, 2020. It was extended.

Health care

- From Wednesday, August 26, to Tuesday, September 1, we tested 109 people at the Respiratory Assessment Centre in Whitehorse.
- Residents of Yukon's five long-term care homes can now receive two designated visitors indoors: <https://yukon.ca/en/news/august-19-2020-covid-19-update>
- The Council of Yukon First Nations (CYFN) and the Government of Yukon have developed a campaign that addresses some of the indirect consequences to children and families of the COVID-19 pandemic: <https://yukon.ca/en/news/joint-initiative-reaches-out-families-and-children-crisis>
- To help Yukoners at risk during this pandemic, vulnerable populations can now access [mental health and social supports online](#).

Travel and borders

- Yukoners are reminded that if you choose to go past the Canadian border station at Fraser or Beaver Creek, you must be aware of the federal rules for re-entering Canada at the time of your departure.
- Canada and the U.S. have extended border closures to non-essential travel until September 21.
- Stricter rules and additional entry conditions will be imposed on travellers transiting through Canada to Alaska: <https://www.canada.ca/en/border-services-agency/news/2020/07/covid-19-stricter-rules-for-foreign-nationals-transiting-through-canada-to-alaska.html>
- Residents of BC, Nunavut, NWT and Yukon are allowed to travel in those jurisdictions without the need to self-isolate for 14 days when they enter into Yukon.
- Individuals entering Yukon's airports must wear a mask and the Government of Canada require temperature screenings for all passengers.

Businesses and financial relief

- The Government of Yukon has begun distributing \$1,687,000 in federal relief funds to support local not-for-profit sport and recreation organizations affected by COVID-19: <https://yukon.ca/en/news/yukon-sport-and-recreation-groups-receiving-covid-19-relief-funds>
- The Yukon Business Relief Program will continue in partnership with CanNor's Northern Business Relief Fund: <https://yukon.ca/en/news/september-2-2020-covid-19-update>

Enforcement and other guidelines

- Guidelines for contact sports are on Yukon.ca: <https://yukon.ca/en/news/august-26-2020-covid-19-update>
- If anyone has concerns that someone is violating a Civil Emergency Measures Act (CEMA) Order, they can now fill in a form on Yukon.ca: <https://yukon.ca/en/cema-report>
- The Government of Yukon will receive up to \$4.16 million from the Government of Canada's new Safe Return to Class Fund to help further the safety of students and staff members throughout the school year: <https://yukon.ca/en/news/government-yukon-welcomes-safe-return-class-funding>
- Yukon's Chief Medical Officer of Health is recommending that children age 10 and older wear non-medical masks where physical distancing cannot be maintained.
- If you have a question about enforcement, email covid19enforcement@gov.yk.ca or phone 1-877-374-0425.
