

Tagish Advisory Council

distributes information about gatherings, events, trainings, public engagements and other news of a public interest

The Tagish Advisory Council received the following information from Community Services Minister John Streicker:

Today we made 3 announcements about our landfills:

- * During the COVID-19 pandemic, our recycling depots and free stores are closed
- * During the COVID-19 pandemic, we will not be introducing tipping fees
- * We have significantly increased the fines for illegal dumping

Here is the link for the press release that has more information. Could you please share this with Tagish folks or get it to Cindy or whoever does your email blasts? And thank people for working to stay safe during the pandemic.
