Tagish Local Area Plan Kicks Into High Gear

It's been a busy month for the Tagish LAP Planning Team. Here's a snapshot of what we've been up to:

LUNCH N' PLANS

Over 40 people packed into the Tagish Community Centre on Saturday, May 30th for a series of lively discussions about local values, challenges, and what a future Tagish should look like. This was followed up by a similar session with 15 participants in Carcross on Wednesday, June 3rd.

While we heard a diversity of opinions at the Lunch n' Plans, some common themes also emerged - ones that we'll explore in more detail during Tagish Planning Week!

COMMUNITY SURVEY

The Tagish LAP community survey received 100 responses. Thanks to everyone who took the time to share their thoughts about Tagish with us!

Tagish Planning Week: June 28th – July 1st

It's fun. It's fast paced. It's all about Tagish. It's Tagish Planning Week! The Planning Team will be in the Tagish and Carcross area over a 4-day period to talk to as many people as we can. Our goal is to:

- ➔ Present draft Values and Vision for the Plan
- ➔ Identify and map community assets and issues
- ➔ Explore specific planning themes in more detail

From community activities to small group discussions, Tagish Planning Week has something for everyone. Check out the calendar on the other side and help us create the best Plan possible for Tagish!
