As of July 21st, the Tagish Community Association has a new recreation director. Colin Hickman has replaced Krista Lambier who has begun a one year maternity leave. We wish Krista, her partner Ched and daughter Rady all the best as they await a new member to their family, expected in September. Krista is expected to rejoin us on August 1, 2014.

This past year has seen a lot of activity within the Community Association and the board is very pleased with what has taken place. We owe much of this to Krista's hard work and welcoming personality, often ably supported by Ched. It has been delightful to watch Rady grow from a one to a two year old. Our thanks to the entire family.

The Board looks forward to working with Colin over this next year and we are confident that we will continue to grow as an organization and as a community. It goes without saying that we will only be successful with the support of our many volunteers and we would encourage any resident wishing to help to give
