To the wonderful folks of Tagish,

As some of you may have heard, I will not be returning to Tagish this summer after my maternity leave. We are currently living in my hometown in southwestern Ontario, where my parents and six brothers and sisters are, and it would be too difficult to leave everyone at this point in time. It is very likely that our young family will someday again be Yukoners, but for now we feel it is important for our girls to be around grandparents, great grandparents, aunts, uncles and cousins.

I met some amazing people in Tagish, and wish to stay updated on 'Tagish News!' I really learned what it means to work together and my thoughts on volunteerism sure blossomed while working at the Rec. Hall. I can't thank folks enough for making me feel welcomed and appreciated, and I have many memories that make me smile!

Thanks again for a great experience working as your Recreation Director, and I look forward to seeing everyone again in the future.

Yours truly, Krista Lambier

Hello everyone,

As some of you have heard, I am leaving the TCA to move onto a new position with Yukon Aboriginal Sport Circle (YASC). I appreciate everyone for their kindness and assistance since I first arrived here. This has definitely been a job that I will never forget, and I am extremely happy for the opportunity that I had with the TCA. If you ever see me in town, don't be shy, say "Hi"!

Thank you for everything, Colin Hickman

Destination Imagination

Destination Imagination has wrapped up for the 2013-14 school year. Thank you to all of the children in Tagish who enthusiastically participated in the Destination Imagination program since October 2013. I enjoyed leading the sessions and was amazed by your dedication, team work and creativity as you solved many novel team challenges. Your Tagish Community Flag project for the Duct Tape Challenge was inventive and showcased your ability to work together. Thank you to Whitehorse Staples for donating all of the colourful duct tape used for this group project.
