A note from your friendly Rec. Director....

Hello Tagish,

I would like to thank everyone for being so generous with their time and effort for the events and programming that took place in August. In September we will be taking a break from large scale events and really focusing on creating solid regular programming for the fall and winter. We cannot do this without your help. I will be reaching out to the community this month and asking what would you want to participate in at the Community Centre? I will try to expand on what is already popular and listen to what you have to say. If you have ideas or input please contact me at the community hall: **399-3407**
