

TAGISH COMMUNITY LIBRARY

NOVEMBER 2015

Renellta, Rylee and Jane

Storyteller fantastic, Renellta Aruluk, came to tell her Grandfather Stories at the Tagish Library. She is an inspiration to everyone, including Rylee, a young writer working on his own stories. Thank you to Renellta and everyone that came to listen, and the Whitehorse Library for setting up these author events.

Congratulations to Sharyl Satchell !!!!
Library draw winner for October

In the 1980's the 'original' Tagish Community Club folks started up a library. People borrowed and returned the donated books on the honour system. The library became so busy that Sybil Brittin volunteered to keep the library available to everyone. Sybil was the first 'keeper of the first library' for many years. An amazing and unique woman.
